mission®

Since 1966

A 50-YEAR TRADITION OF EXCELLENCE

Specializing in the grocery industry for over 50 years.

Massive Domestic Manufacturing Capacity on both the East & West Coasts.

Ivar's Cabinet Shop, Inc. was established in 1966 by founder, Ivar Gundersen. Today, Ivar's Displays remains a fourth-generation, family owned business in Ontario, California on the West and Shelby, North Carolina on the East. Ivar's Displays' reputation for great customer service, quick lead times, and high quality work at competitive prices has led us to become one of the largest manufacturers in the United States. Our team of well-trained employees have the experience, creativity, and expertise necessary to provide the best possible equipment solutions for both retailers and distributors alike. R.O.I. before the others arrive.

Our Mission: To assist our customers in increasing their sales by providing exceptional design, quality & customer service.

Our Vision: Ivar's is the most trusted provider of custom display solutions.

Did you know that Ivar's average employee has been with the company over a decade? Now that's experience!
